Group Drying rail

Model/type TKH2xx

Data 80 or 110W 230V ~

Other specification TRADE MARK: ADAX
Cl. I, Drying rails for textiles, Splash proof IP24C
The xx in model designation can be 08 for 80W or 11 for 110W.

The above product is certified according to the following standard(s) Safety std.: EN 60335-2-43:2003
EN 60335-1:2002; A11; A1, including possible listed national conditions/deviations for Norway.
EMF std.: EN 50366:2003

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemko's name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.
New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

No. P06205958

Order No. 59080

Additional information

The above certified equipment complies with current technical statutory requirements in Norway regarding safety. Compliance with requirements to Electromagnetic Compatibility (EMC) is not relevant for the equipment. It should be noted that by marketing of equipment subject to official registration in Norway, the party responsible for the marketing shall be registered by the Norwegian Directorate for Product- and Electrical Safety.

This certificate replaces previous certificate P95100887, issued 9th March 1995 due to new test report issued (upgrade of standard).
